Subject: **Location of a conference, etc.**

CCC thanks the Library of Congress for this very welcome proposal which revises the scope of the location of a conference. CCC supports this proposal and offers some small editorial comments.

11.3.2.1

The double-underlining should be extended to include the word “or” following the word “place.”

MARKED UP

A location of a conference, etc., is a ~~local~~ place or places in which a conference, congress, meeting, exhibition, fair, festival, etc., was held.

CLEAN

A location of a conference, etc., is a place or places in which a conference, congress, meeting, exhibition, fair, festival, etc., was held.

11.13.1.8.1

The World Cup example requires a space between 8th and the colon. A semi-colon is required instead of a comma to separate the 2nd from the 3rd country name.

MARKED UP

World Cup (Cricket) (8th: 2003 : South Africa; Zimbabwe; Kenya)

CLEAN
