

To: RDA Steering Committee  
From: Renate Behrens, Europe Region representative  
Subject: Revision of RDA 1.8.1 Numbers Expressed as Numerals or as Words

EURIG - Editorial Committee thanks RSC Rare Materials Working Group for this proposal.

EURIG members and national committees submitted comments to the DNB wiki which were discussed by the Editorial Committee in series of web meetings during September.

EURIG – Editorial Committee agrees with the proposal.

We agree in principle subject to the reservations expressed in relation to RSC/RareWG/1, however it was suggested that alternatives (or options) may offer more flexibility than exceptions, as not all early printed material may warrant the additional level of description.
