From: Anne Welsh, RSC Secretary
Subject: FT2024-08: Revisions to Definitions of Aggregate, Aggregating Work, and
Aggregates Guidance

This Fast Track proposed modifications of the definitions for aggregate and aggregating work, as well as revisions to the guidance for aggregates in the RDA Toolkit, informed by observations from LIS trainers in teaching RDA contacted by Education and Orientation Officer.

It was discussed by the RDA Steering Committee during its meeting, 15-18 July 2024 ([RSC/Minutes/469-482](#) Item 471.2). After praising the work of the Technical Team Liaison Officer and the Education and Orientation Officer, the RSC requested that the Secretary present the text as a full proposal.

Accordingly, RSC/TechnicalWG/2024/2 was [published](#) on 29 August, and [archived with stable URI on ALAIR](#). It will be discussed in the November meeting of the RSC.
