Subject: Formal response to RSC/ReligionsWG/2024/2 - Proposal to revise name of corporate body

**Recommendation 1: Add a condition option under different names or forms of name for the same corporate body at 36.94.12.26**

Approve

**Recommendation 2. Add a condition option to instructions for conventional name to record a real or official name.**

Approve

**General remarks:**

EURIG appreciates this proposal for allowing the useful distinction between conventional and official names and for making implicit options explicit. We would strongly urge that the current examples be repurposed within the Toolkit and that the Working Group and the Examples Working Group consider whether additional examples would be useful, particularly the examples raised by the RSC in its July meeting and recorded in RSC/Minutes/469-482, item 475.2.
