Subject: Formal response to RSC/TechnicalWG/2024/2/rev - Proposal to revise the definitions of aggregate, aggregating work and Aggregates Guidance

EURIG thanks the Technical Working Group for its continued efforts to make the Toolkit more comprehensible to both practitioners and educators and their students. The WG's continued cooperation with other RSC members is greatly appreciated.

General note: As this change is, in large part, to support education and training, we feel that the terms would benefit from illustrative examples and diagrams which would be useful in the classroom.
