Subject: Formal response to RSC/ReligionsWG/2024/2 - Proposal to revise name of corporate body

General remark

Many thanks to Religions Working Group for this proposal which makes it more explicit for cataloguers that a less-common name preferred by the corporate body is permitted to be recorded under the relevant instructions.

Recommendation 1. Add a condition option under different names or forms of name for the same corporate body at 36.94.12.26

I approve.

Recommendation 2. Add a condition option to instructions for conventional name to record a real or official name.

I approve.
